

High Wycombe and District Philatelic Society

Directions from M40 Junction 4 (Handy Cross)

Take exit A404 (Wycombe) down Marlow Hill, passing Wycombe Leisure Centre on your right and John Hampden Grammar School on your left, keep straight on at the roundabout, passing Wycombe High School on your left, and keep going down the hill.

At the roundabout at the bottom of the hill take 2nd exit left A40 (Aylesbury), over the flyover, at the roundabout (Tesco & M & S) keep straight on, passing Sainsbury's on your right. Still on the A40, keep straight on, and after a short single lane dual-carriageway and a mini-roundabout get into the outside lane, ready to turn right at the traffic lights. Beware of staggered signals — you will get your own light — turn right up the hill (signposted Downley) under the railway bridge, keep going up a steep hill, which will level out. You will pass the Pastures Methodist church on your right and a speed camera on your left, keep going until you come to a road junction. Turn left, and immediately after 2 houses on your left you will find a short track (signposted St. James the Great church). **DO NOT GO DOWN THE HILL!** Go down the track, and you will now be in our car park, and our hall is at the back of the church.
